MUSTACHIOS

UTILITIES

1- ROYALTIES GAMES

We reward our holders with an **unprecedented experience.**

Unlike traditional stacking, we redistribute **80% of the royalties** in a playful way by selecting a team each week as well as 2 traits from the collection.

This is going to stimulate the secondary market every week.

Exemple: 50,000 CRO* into the community wallet

Team of the week is GREEN  and you have:

- 1- Team color only (2222 NFTs): You win **11,25 CRO**
- 2- Team color + 1 trait (300 NFTs): You win **61,25 CRO**
- 3- Team color + 2 traits (20 NFTs): You win **561,25 CRO**

*Royalties varies every week. For more details on how we calculate the rewards, visit <https://teammustachios.com/>

2- LEGENDARY EVENT

Right after the mint, we will have an event in which every customer will have a chance to get one of our **BADASS legendary NFT** from our collection.

A legendary has the power to **unlock 100% of the reward** when his team color is selected (every 3 weeks).

Not only this is going to be **the top ranks** of our collection but these NFTs will have more value because of their special attributes.

3- GOLDEN AIRDROP

Every owner will get an **airdrop** of a **free NFT** per wallet.

This NFT will be considered as a **premium member pass** which guarantees you a whitelist privilege to all our upcoming events and collections.

This is going to be the **ONLY** way to be whitelisted. **YOU** will set the price for this privilege.

We will always look forward to add more value to this **exclusive status**.

4- UNLOCK THE VAULT

We will invest in **other projects** to provide **passive incomes** to the **community wallet**

or

access the metaverse of establishing projects.

5- TOP SECRET

Team Mustachios is just getting started.
Our long term vision is to always **add value to our gen1 holders.**
